LETTERS TO THE EDITORS

HIGHLANDER RATES LETTER FROM LIFE MAGAZINE.

Dear HIGHLANDER Editor,

Thank you for your letter of January 1. We were very much interested in the plans you have for your 1946 HIGHLANDER, but because LIFE'S foremat is heavily copyrighted you will have to comply with a few restrictions.

First, we ask that the word "Life" not appear in a box, regardless of color, either on the cover or anywhere in the publication. Second, the band at the bottom of the cover must be a straight line all the way across, with no jag. Third, it must be clearly stated that the book is being published by the Highland Park High School.

We hope that your 1946 HIGHLANDER will be a great success.

Sincerely yours,

Beulah Holland

LIFE Editor

Thanks, Editor, for your suggestions and the best wishes you've sent to our HIGHLANDER. We feel sure that the LIFE Magazine theme which we've chosen will be a big hit with everyone.

HIGHLANDER HEARS FROM FORMER EDITOR.

Laramie, Wyoming
December 27, 1945

Dear Editor,

So the time has come again for the production of another HIGHLANDER —The 1946 edition! What I've heard about it gives me the impression that the 1946 yearbook will be one of the best.

(Continued on page 3)

LETTERS TO THE EDITORS

(Continued from page 2)

I want to congratulate you and the staff on selecting such a clever theme. If you've had as much fun as our staff on the 1945 HIGHLANDER in developing your ideas, you're in for a grand time which you'll all enjoy.

I'm a little college coed now in Wyoming University enjoying the life to the "nth" degree and roughing it through a pre-technician course. I'm also learning the ways of the west and like it all very much.

So, "Podners"—here's wishing luck to you in the publishing of your HIGHLANDER of 1946. I hope—as you do, I know—that it will prove to be the best ever!

Lucille Murray

Editor of 1945 HIGHLANDER

Dear Lucille,

Thanks heaps, Lucy, for your swell letter. Here's hoping that the 1946 HIGHLANDER is as popular as was your 1945 yearbook.

P.S.

Don't tell, but I snitched this cute "snap" of Lucy from Bev. Emerson's private collection.

A JUNIOR SINGS OUR PRAISES

Dear Editor and Staff,

Listen, my children, and you shall hear from a dignified junior concerning the colossal annual, The HIGHLANDER.

Digging into battered boxes or cluttered drawers ten years from now, you will discover many souvenirs that will take you back to your high school days.

Perchance you'll spy a small worn book which reads something like this—"Dear Diary,—T o d a y m y dreams came true. Tim Brown smiled at me! Of course he practically demolished my geometry book when he tossed it from third floor to first, but what's another $1.65 to Dad when his daughter's *whole future* depends on it?"

Or maybe you'll find a crumpled Scotch Lassie bonnet that has weathered many a beating or a basketball jersey that just *couldn't* be left behind because it had your "lucky number" on it!

Lastly, with great care and fondness you pick up four battered books slated HIGHLANDER. V a r i e d shades of ink and assorted styles of scribbling adorn every page—here a senior's farewell, there a green freshman's "Hi." Each has its own significance. Anyone who's hep knows how noted t h e HIGHLANDER is for its super photographs and "info" on school activities for the year.

So you see, Gals and Guys, in years to come your HIGHLANDER will mean everything to you, because it's strictly a book that's on the beam! ! ! A book FOR Lassies and Lads BY Lassies and Lads!

All we Scotties doff our hats to you Staff Members of this HIGHLANDER of 1946. Thanks be to you.

Genie Mollett

Dear Genie,

Loads of thanks, Genie, for your swell letter. It tells us plenty about how much you kids appreciate the yearbook.

HIGHLANDER'S COVER

"Looking into the Future" are Darlene Gooch and Bob Plummer, two typical seniors of the Class of 1946. Dressed in the traditional cap and gown which every high school student looks forward to wearing, they wonder what the future holds for them.

Both are prominent in school activities. Darlene has been president of her class, a member of the Scotch Lassies for three years, a leader in Girl Reserves, an active member of glee clubs and ensembles, and a popular accompanist. Bob, president of the senior class, has been a member of Hi-Y and H-Club, an active participant in all sports, a baritone in the glee clubs and boys' ensemble, and an entertaining piano soloist.

These two students represent the youth of today, the leaders of tomorrow. The future depends upon them, and they depend upon the future. All they ask is the opportunity to succeed.

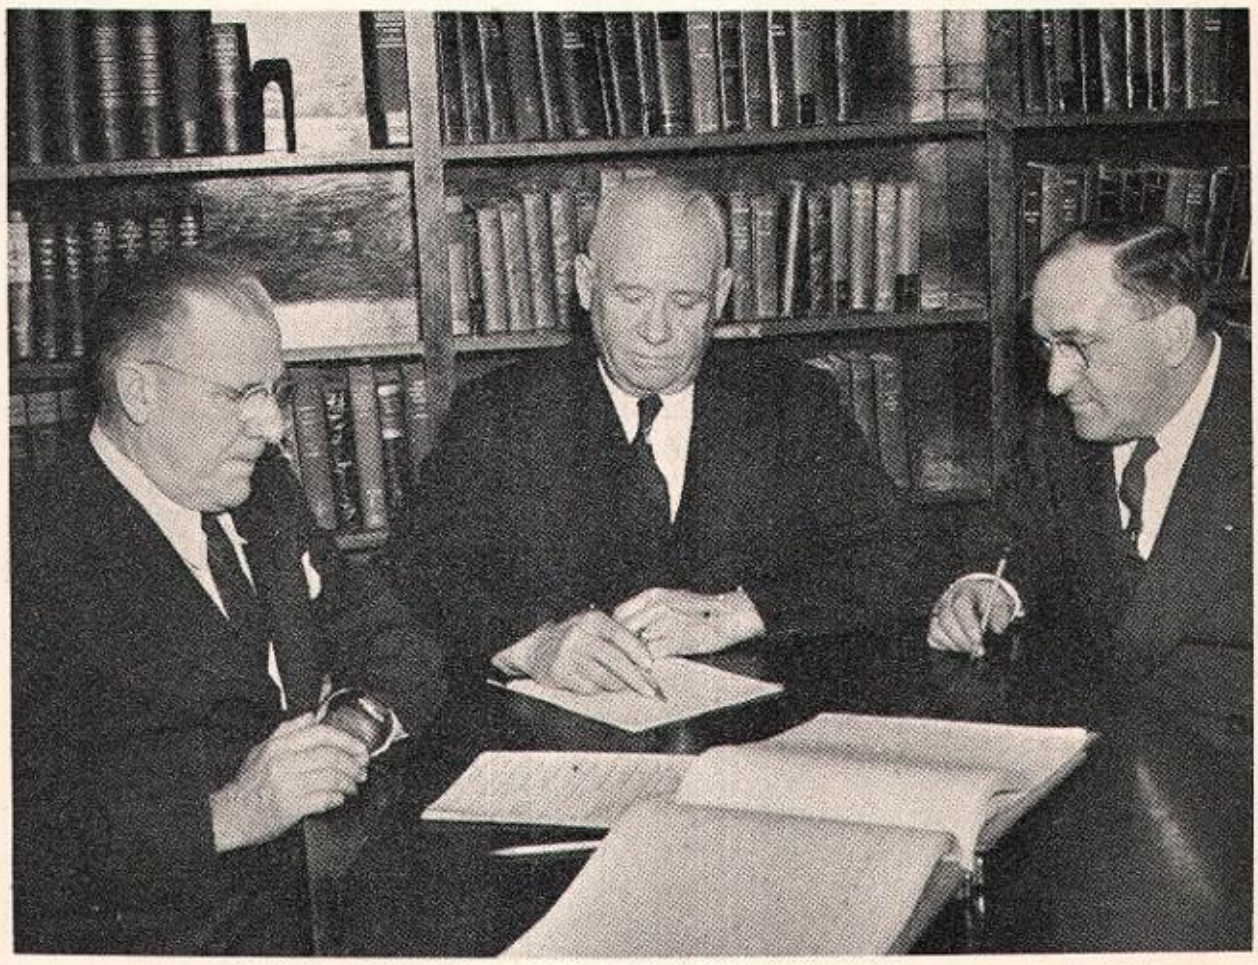
Fourteen years spent in guiding the young people of Highland Park is the record of Supt. W. W. Wright, who is ever eager to give young Scots a boost on their ways up the ladder to success.



A spirit of unity and good will prevails among the members of the Board of Education, who have loyally given of their time to make Highland Park High School the institution which it is today. Mr. Ben H. Abels has served since 1928, and Mr. C. M. Miller was elected to the board in 1935. Mr. J. J. Gies joined the trio in 1938. To these men, the students and patrons of the community are grateful.

Speaking of Pictures

Members of the Class of 1946 have stenciled with a huge indelible pencil an impressive picture upon Highland Park High School.

As "greenies" with Miss Buck and Mr. Dellinger as sponsors, they pulled out of the Scottie hat many lively parties and picnics.

"My Sister Eileen," highlight of the junior year, added a large amount of money to the class coffers, enabling the class to stage a colorful Holiday Inn prom in honor of the Class of 1945. The sponsors—Miss Black, Mrs. Kessler, and Mr. Herrman—helped to make the junior year one to be long remembered.

The tail of the Scottie is wagging slowly now, reminding the Seniors that their last year—one packed full of picnics, parties, assemblies, sports, an aisle-rolling class play, a never-to-be-forgotten prom, and a HIGHLANDER to be forever treasured—is rapidly drawing to a close. Sponsors who were "right in there pitching" during the last year were Miss Baskett and Mr. Harvey.

Bubbling over with ideas, the enthusiastic Juniors, sponsored by Mr. Croft and Miss Cunningham, burst forth with an "Ideal School" assembly to make this their third successful year. They entertained the seniors at a lavish deck party aboard the U.S.S. Highlander.

Showing their abiljty as sophomore Scotties, the lively group, with the cooperation of Miss Walker and Mr. Crowell, did a creditable job of selling war bonds and stamps.

Assisted by Miss Glatt and Mr. Kirk when they were the "greenies" of the Clan, they dramatized a "Mairsy-dotes" assembly program and enjoyed several rip-rarin' class get-togethers.

Sophomores, under the direction of Mrs. Matoush and Mr. Carpenter, spun into their second year with a talent assembly, bang-up picnics, and peppy parties.

Under the guidance of Miss Holman and Miss Whitney as Freshmen, these vivacious Scots were most enthusiastic over their covered-dish supper at Lake Shawnee and their jolly Christmas party.

When the Freshmen stepped cautiously through the doors of H.P.H.S., they wandered timidly from one room to another, saying nary a word. In almost no time at all they became acclimated; and now they are members of the clan, enjoying a jovial and vigorous high school life.

Already they are taking their places as leaders in all activities. Proof of this was in their "Variety Show" assembly, clever class parties, and well-attended picnics, which were a huge success under the supervision of Miss Walker and Mr. Crowell.

Scotch Lassies sponsored the first Homecoming celebration in the history of Highland Park High School on November 9, 1945, when Robert Horton and Joyce McCarter were crowned King and Queen by Bob Umholtz, Student President. Attendants were Barbara Murphy and Darlene Gooch.

The king, queen and attendants were chosen by the entire student body from among candidates nominated by the Scotch Lassies and H-Club. The four honored students are members of the Class of '46.

Student President Umholtz presented the queen and her two attendants between halves of the Seaman Highland football game. The band and Scotch Lassies, after passing in review before both bleachers, formed a "V" facing the Highland side. The royal party then was taken to mid-field, where the queen was given a beautiful arm-bouquet of chrysanthemums and autumn leaves.

At the varsity following the game, the coronation was held. Scotch Lassies in semi-circle formation, made a colorful background for the crowning ceremony. Janie Tietgen and Jackie Kramer, who bore the crowns on red satin pillows, led the procession of royalty; and as President Umholtz presented the crowns to King Horton and Queen McCarter, the pep band played the school song.

The success of the first homecoming festivities prompts Scotties to hope that such an annual event will become a tradition in Highland Park High School.

STUDENT COUNCIL

Always "Johnny on the spot" is the Student Council, led by Student President Bob Umholtz and sponsored by Mr. Wright. Varsities after football and basketball games, all-school parties, W.P.A. (Women Pay All) Week, Hobo Day on April 1, and noon-hour dancing were made possible this year by the student governing group.

Each home room elects a Council representative, a student who makes an honest effort in all class work, who carefully performs his duties in extracurricular activities, and who has a respectful attitude in school and at school functions. A student guilty of truancy cancels his membership, and a student who receives a failing grade for any six weeks period is automatically dropped. The Student President is chosen by the entire student body to take charge of student assemblies and to conduct the weekly meetings of the Student Council.

Fifty-five students interested in dramatics are members of the Spotlight Club sponsored by Miss Black. Each candidate for membership presents a reading or monologue or takes part in a skit as a try-out. Frequently "Spotlighters" appear on club programs, and often they provide dramatic entertainment for other groups both in and outside school activities. The group's successful drama of the year was "Little Women," a creditable production with a charming audience appeal.

Cabinet Members—**Joyce McCarter, Eloise Boyles, Marjorie Dickinsheets, Bonnie Benson, Donna Irwin, Genie Mollett, Lois Arnett, and Pat Thomson.**

Girl Reserves, with 175 members, completed a successful, active year under the direction of Miss Nichol and Miss Trotter.

Purity, Truth, and Reverence—the three-fold purpose of the organization—led the girls in the completion of many interesting projects to aid in the reconversion of war-torn Europe. Two of these were the clothing drive, in which the entire student body participated, and the fashioning of children's house-slippers from old felt hats.

The outstanding social event of the year was a party given for Hi-Y members.

HI-Y

One hundred boys, whose activities were directed by Mr. Herrman and Mr. Ridgway, enjoyed interesting Hi-Y programs throughout the year. A varied program touches the particular interest of each boy. Noon-hour swims at the YMCA, wrestling matches, moving pictures, guest speakers, student forums, musical programs, novelty programs, and an annual party with Girl Reserve members were included in the year's activities.

FUTURE HOMEMAKERS

Piper, President; Harmon, Vice-President; Hilbert, Secretary; Leupold, Treasurer; Slawson, Social Chairman; Bush, Songleader; Southard, Historian; and Miss Richardson.

The Future Homemakers Association, sponsored by Miss Richardson, became affiliated with the national organization this year. Members maintained a concessions stand at football games in order to raise money for equipment and supplies. Varied individual projects included making wooden bead purses, fashioning Indian beaded belts and bracelets, weaving potholders, carving wooden boxes for jewelry, designing cork table mats, and painting textiles, wooden pins, and tile plaques.

Work, Gunselman, Nelda Jones, Myers, Brewer, Hentzler.

Hunter, Hoover, Boaz, Hale, Carver.

FUTURE FARMERS ASSOCIATION

Highland Park's FFA chapter was honored last fall when one of its members, Jack Hall, a 1944 graduate, was awarded the American Farmer degree. This is the highest degree that can be awarded by the national FFA organization. Jack was one of the eight highest ranking American Farmers and was named the Star Farmer of Kansas for 1945.

The Highland Park chapter, which is directed by Francis Carpenter, was named one of the outstanding chapters in Kansas for 1945. This award is based on achievement in all phases of the FFA program

At the district FFA leadership school held in Lawrence in October, Highland Park rated among the highest in leadership contests held.

After the organization of a local FFA Duroc Breeders Association to promote better swine projects, 21 boys became members and now own registered Durocs.

A practical shop program designed to secure needed equipment for furthering the crops and livestock programs of individual members is being carried out.

FFA members joined with the Future Homemakers Club to have a party January 4.

Members are Boaz, Bradford, Chapman, Glenn, Hall, Henderson, Kincaid, Mackie, Moorehead, Morris, Byron Murphy, Gaylen Murphy, Proper, Raab, Rankin, Shea, Snyder, Spiecher, Sumner, Taylor, Thayer, Tillotson, Tolbert, Welty, and Wilson.

SCOTCH LASSIES

CHEERLEADERS

Murphy, Mollett, Patton, Irwin, Myzer.

The girls' pep organization was this year for the first time opened to all girls in high school who would maintain a "C" average and buy a complete uniform. Thus, the membership increased from the usual forty girls to one hundred two loyal pepsters.

Sponsors were Miss Cunningham and Miss Baskett. Officers are Joyce McCarter, president; Betty Friend, vice-president; Barbara Williamson, secretary; and Peggy Friend, treasurer. These girls are the only ones who have been members for their four years of high school.

Scotch Lassies wear kelly green skirts with inverted pleats of the official school plaid, gay scarlet sweaters with "SCOTTIES" in green felt script, and saucy little be-feathered Scotch caps.

G.A.A.

Under the direction of Miss Cunningham, the Girls' Athletic Association was reorganized last November with a membership of 70 girls. Purposes of the organization include encouraging an active interest in girls' athletics and promoting good sportsmanship.

Awards are earned by the girls on a point basis for participation in basketball, volleyball, soccer, softball, track, badminton, tennis, ping pong, and shuffleboard. A gold G.A.A. pin is awarded to the girls who earn 500 points, and a letter "H" is given to a member with 1000 points. The final achievement of attaining 1800 points entitles a girl to a sweater.

Five sports chairmen assist the officers—Peggy Friend, president; Bonnie Benson, vice-president; Betty Friend, secretary, and Rosalie Higgins, treasurer.

Scots Hold Tradition High

As the Scots launched on another school year, 'tis time to acquaint all newcomers with the traditions of the clan.

A memento of the first Highland Park school is the large stone dated 1868 which is located on the second floor opposite the trophy case.

In 1931 the name "Scotties" was adopted for Highland Park attenders. The scottie pup was chosen as mascot, and school colors of scarlet and green were chosen. In 1934. In 1937 the high-spirited Scotch Lassie Pep Club was organized. The

Freshies Take Root

Students sporting shaky knees September fourth were we freshmen. We had spent years in anticipation of the time when we would be full-fledged Scotties, and at last we reached the goal.

During the assembly in the auditorium that morning we were definately reminded of our lowly status in the high school by Mr. Croft, who mentioned that last year we were big ducks on a little puddle and then assured us that now we are only goslings on a big pond.

To make us feel as insignificant as possible we freshmen were assigned lockers on the basement floor. For the first few days those stubborn locks baffled us, but now most of us have mastered them.

We went to classes, met some rather frightening individuals who are to help us on to "greener

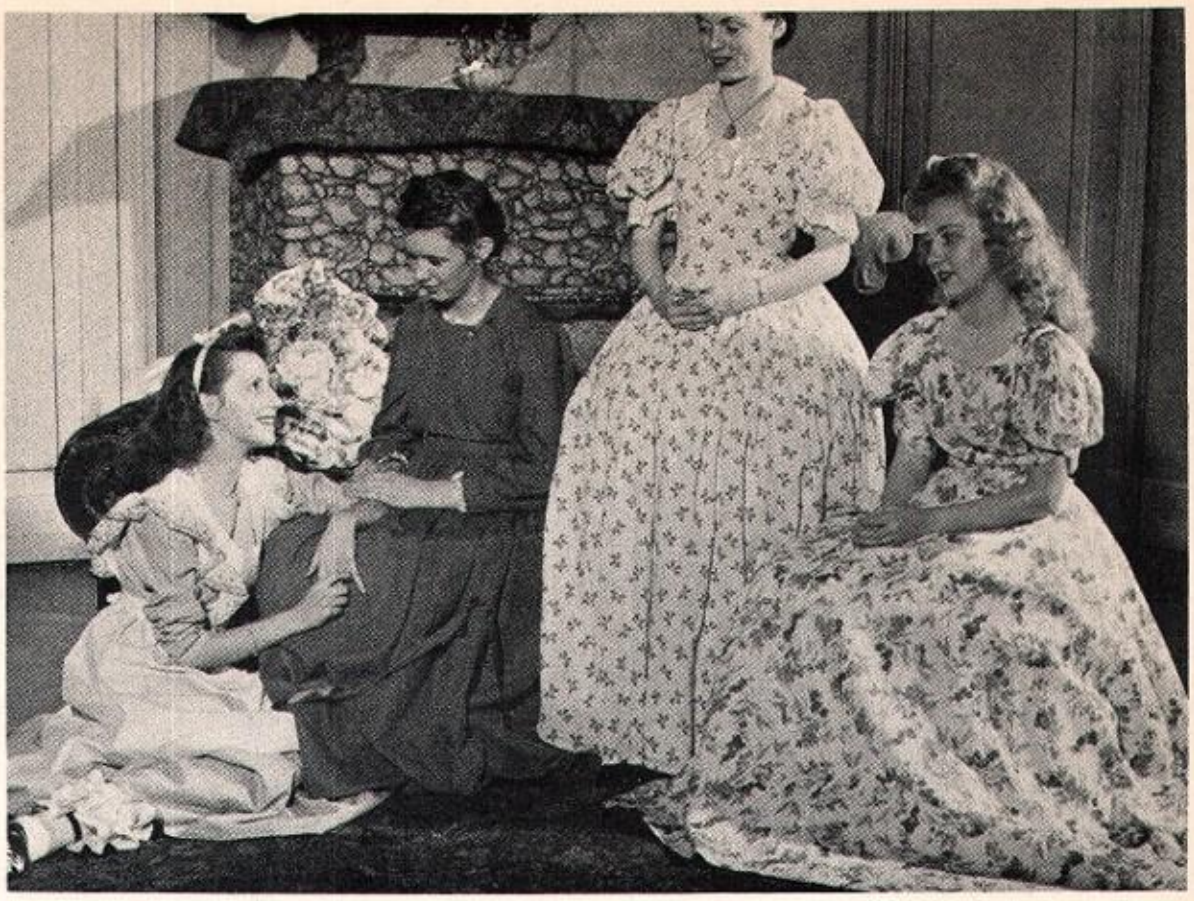
PLAYS OF THE YEAR

Good Gracious, Grandma! December 14

Christmas Pageant December 16

Little Women March 15



A rollicking farce revolving about two young men with more ideas on how to spend money than on how to earn it was presented on December 14 by the Juniors under the direction of Mr. Croft. Byron Murphy played the double role of Grandma and one of the young spendthrifts. Joe Hubert, Patty Jones, Martha Roach, Donna Gies, Paul Swan, Rosalie Higgins, Bob Moorhead, Dick Patton, and Bob Plummer were members of the cast.

Girl Reserves and Hi-Y members joined December 16 to present the annual Christmas pageant, a tradition at Highland Park for the past ten years. Consisting of eight scenes, the tableaus were presented with a background of yuletide music provided by vocal students under the direction of Mrs. Bishop. Donna Irwin was reader for the scenes, in which those taking part were Ivan Bomgardner, Josephine Chapman, Charlene Cusic, Shirley Long, Donald Meek, Gene Richards, Dick Kekar, Joe Chapman, Nelven Smith, Dale Ridgway, Lindsay Gillespie, Edna Wendt, Deborah Scott, Donna Gies, Patricia Thompson, Dick Baker and Rosalie Higgins.

With chief interests lying in the lovable characters, homey dialog, attractive costumes, and setting of Civil War days, "Little Women" was presented March 15 as the annual production of Spotlight Club members. The roles of Jo, Amy, Meg, and Beth were portrayed by Helen Lee Schoenfeld, Jerry Folck, Phyllis Lynde, and Marilyn Walter. Other members of the cast under the direction of Miss Black were Clover Stopher, Delbert Tolbert, Rosalie McCray, Don George, Eugene Kincaid, Nonalee Slawson, and Tom Sawyer.

Miss Josephine Riederer, costume manager, was assisted by Lois Wendt, Donna Gies, and Patty Jones; and stage properties were secured by Eugenia Mollett, Eloise Boyles, and Florence Burk.

LET'S GO, GANG!

"It's a touchdown," the Highland fans cried as Eldon Brumbaugh recovered a blocked punt to start the 1945 football season. The tussle with the Council Grove Indians resulted in a 12 to 0 victory for the Scotties. Little did the squad of five juniors and six seniors know that this game was to lead the way to a season of five wins and only three losses.

The Scots emerged victorious from games with Topeka "B," Holton, Osage City, and a double tangle with Capitol Catholic. Wamego delivered a blow to Highland, and the Seaman Vikings took the gains twice.

Ralph "Swede" Dahlstrom topped season highlights with a 95-yard run from the kickoff for a touchdown in the gridiron tussle with Capitol Catholic. The most tragic event occurred in the Seaman bout. After a touchdown pass from Brumbaugh to Leroy Anderson, it was discovered that the Scotties had five men playing in the backfield, thus cancelling the six points.

Sixty-one boys checked out equipment on September 4th, and Coach Dale Ridgway announced that this number far exceeded those of other years.

The "B" team, made up for the most part of new players and coached by Byron Crowell, showed that Highland Park will not lack football material in years to come. Of the three games played, one with Rossville and two with the Seaman "B" quintet, the Scots divided games with Seaman and bowed before Rossville.

Others who reported for service on the gridiron were BOMGARDNER, THOMSON, BARNARD, JONES, SMITH, ALVIN ANDRES, HUBERT, McKINLEY, GLENN, MACKIE, SPEIKER, MEEK, FISHER, BULLOCK, DON ANDRES, MYZER, PURDY, HITE, GIFFIN, TAYLOR, McCARTER, TOBLER, BIRD, TILLETT, WAYNE HORTON, CHILSON, RIDGWAY, WILLES, CLARK, PRITCHARD, JONES, GALEN MURPHY, BYRON MURPHY, ERDMAN, RONALD PLUMMER, ASH, and COLLIERS.

Although the Scotties were spurred on by their homecoming festivities, held November 9 for the first time in the school's history, the Seaman Viking's passing attack led them to a 20-0 victory over H.P.

Nine seniors closed the door on their high school football careers in the game with Capitol Catholic November 16. These veterans were Wade Abels, a two-year veteran; Donald Burman, three-year; Ralph Dahlstrom, two-year; Robert Horton, four-year; David Huntsman, two-year; Roy Metzler, three-year; Robert Plummer, three-year; Norman Spielman, three-year; and Perry Wayman, three-year.

During the football season H. P. encountered many different types of formations, but the Seaman "T" proved to be the toughest. The Scotties put up a violent fight against Seaman's well-oiled machine in their first meeting of the season, October 5, holding them scoreless until only five seconds of the first half remained. This was the first time H. P. had been scored upon in the 1945 season. The Vikings unconquerable "T" proved to be too much for the fighting Scotties in the second half, and the game ended 24-0.

Capitol Catholic's homecoming festivities on the Scot gridiron were spoiled when the Scotties downed the Wildcats, 6-0. "Swede" Dahlstrom decided the issue with a 58-yard touchdown-run on the final play of the second quarter.

The Scotties downed the Wildcats in their 1945 season finals 13-0, putting them in second place in the final standing of the Jayhawk League. Dahlstrom and Diel sparked the attack as the H. P. eleven played one of its best games of the season.

"The object is to get the ball in the basket," says Coach Ridgway to his starting Five—Forward Raine, Guard Kekar, Guard Spielman, Center Brumbaugh, and Forward Boner.

Highland basketeers swept the court for 14 victories and 5 losses in the 1946 season. Losing two games to Seaman and two to Wamego put the Scots in third place in the Jayhawk League. Throughout the season the home team showed their loyal supporters that they could fight just to play the game—win or lose. Seaman visited the Scottie court first and returned to their Viking ship with several things to think about as the tilt was close all the way to the sound of the final bell. Each of Seaman's quick sure-shots was followed immediately by a Scottie hit. After the final cheering died away, it was found that Seaman tallied 27 and Highland tagged 24 points. The second game meant another disaster for the Scottie Quintet, but the Scotchmen emerged from defeat with a sporting eye.

Probably the closest game occurred when the Catholic Wildcats invaded the Clan's fold. These boys at the bottom of the League showed the sporting world that they were not to be taken so lightly. The Wildcats led most of the way, but in the closing seconds the Scots found the hoop for the two points which tied the score. One Wildcat then got too close to a Scottie and gave him a free shot, ending the game 37 to 36.

This year for the first time the Scotties took their hoopsters to neutral courts to accommodate the large crowds. The Wamego tussle was played on the Topeka High court and the Capitol Catholic and Seaman games in Whiting Field House at Washburn University.

Winding up the season, the Scots journeyed to Wamego to participate in the district tournament and drew Clay Center for the first game. After taking Clay Center in their stride 33 to 27, the Scots were eliminated when they bowed to Chapman 39 to 29.

Highland Scotties collected a total of 751 points throughout the season while their opponents bagged 603. Raine led the Scots with 230 points, an average of 13 plus in each game; and Brumbaugh earned 174, an average of 9 in each match.

The Scottie Pups, coached by Byron Crowell, won 10 battles and lost 6. Among these dependable "Seconds" are the future court kings. The Pups scored 520 points against their opponents 471.

Here are twelve little darlings, twelve precious little tads who started school in my first grade in 1934.
